This Month...

MESSAGE FROM THE EXECUTIVE DIRECTOR

Over the past months, our Leader Kevin Taft has charted a strong course for Alberta in the form of **The Western Tiger**, a plan that would transform western Canada into an economic powerhouse within Canada.

On the controversial issue of resource royalties, we have taken a principled stance in the debate - that royalties must be raised by at least 20%.

The fall session of the Legislature is keeping our Alberta Liberal MLAs busy as they hold the current government to account and push forward positive change for Albertans. Outside the Legislature, constituency associations and nominated candidates are busy getting ready for the next election by organizing events, knocking on doors, and raising funds for the next election.

With the potential for a fall or spring election on the horizon, your support and hard work are needed. If you haven't already, I encourage you to volunteer or support your local constituency association and candidate. Together, we will continue to provide Albertans with a clear choice for the next election.

Thank you for your support!

KIERAN LEBLANC
EXECUTIVE DIRECTOR, ALBERTA LIBERALS
